LIVE WEDDING PAINTING

Create a timeless keepsake with a live watercolour painting that captures the beauty of your wedding setting and scenery. Perfect for couples seeking something a little more discreet and subtle. Being a landscape painter my approach centres on location- avoiding your artwork being overly sentimental whilst still capturing the beautiful atmosphere of your wedding day.

12" X 16" £1,250

Price includes an initial planning meeting, up to four hours of live wedding painting and guest interaction at a time that suits you, additional hours of studio work, and your finished painting which will be professionally mounted and sent to your home. Bespoke sizes and framing is available upon request. Travel costs will be calculated and quoted separately. A £250 deposit is required upon booking.
